## **PREFACE**

Students are central in the University's pursuit of creativity, excellence and service. In order that students are properly focused and the University's interest in ensuring that its students are not only excellent in academics but also in character, a handbook to guide student's conduct becomes imperative.

This handbook therefore, provides the necessary information on the policies and regulations guiding studentship in the University. The key areas of focus include academic regulations and acceptable behaviour. The University considers the issues of students' discipline very seriously and therefore believes that students should be aware of what is expected of them in a civilized and organized society.

It is mandatory that every student obtains a copy of the student handbook and I wish to urge all students to read this handbook in order to ensure a meaningful interaction amongst each other and between them and others in the University Community. It must be emphasized that this handbook provides only a general guide; for, there are other more specific regulations, such as courses students need to pass etc, which are contained in other documents. It is also necessary that students regularly read notices and other University bulletins to keep abreast of events and developments in the University.

On behalf of the Governing Council, Senate and Staff of the University, I wish all students successful stay in the University and look forward to their meritorious contributions to the development of humanity thereafter.

I

MARK %	LETTER GRADE	POINTS
70-100	A	5
60-69	B	4
50-59	C	3
45-49	D	2
40-44	E	1
0-39	F	0

- II For students admitted into the University from the 2013/2014 academic session the following grading system shall apply:

MARK %	LETTER GRADE	POINTS
70-100	A	5
60-69	B	4
50-59	C	3
45-49	D	2
0-44	F	0

III **Incomplete Grade (I)**

A student may earn an Incomplete Grade in a course if all the requirements of the course have not been met.

If the incomplete grade is not remedied at the next examination for the course, the student shall be assigned an “F” grade.

IV **Points for Letter Grades**

For the purpose of computing the academic standing of students at the end of every semester, the letter grades earned by students shall have the following points: A = 5; B = 4; C = 3; D = 2; E = 1 and F = 0.

For students admitted into the University from the 2013/2014 academic session, the Points for Letter Grades are: A = 5; B = 4; C = 3; D = 2 and F=0.

V. **Grade Point (GP)**

A Grade Point for each course is the product of the points associated with a letter grade and the course unit. E.g. a student who has a B grade in a 3 unit course has a grade point of  $4 \times 3 = 12$  because the letter grade for B is 4 and being a 3 unit course the product is 12 i.e.,  $(4 \times 3)$ .

Units of courses in which a grade of 'I' is earned are excluded from grade-point computation for the semester in which the 'I' is earned.

Upon removal of grade 'I' or if 'I' changes into an 'F' grade, the units are included in the subsequent cumulated grade point averages.

**VI. Total Grade Point**

The total grade point is the sum of all the grade points in all the courses in a given semester.

**VII Grade Point Average (GPA)**

The Grade Point Average is calculated by dividing the sum of the grade points for every course in the semester by the total units attempted in a given semester.

$$\text{GPA} = \frac{\text{Total Grade Points in a semester}}{\text{Total Units attempted in the semester}}$$

$$= \frac{\Sigma \text{Grade Points in a semester}}{\Sigma \text{Units attempted in the semester}}$$

**VIII Cumulative Grade Point Average (CGPA)**

The Cumulative Grade Point Average (CGPA) is the sum of the total grade points earned in all the semesters divided by the sum of the total number of units attempted in all the semesters.

**IX Repeat Course Grade**

When a student re-registers for and actually repeats a failed course and takes the examination in the course, he/she should be credited with the actual grade scored in the repeated examination. The new grade earned in a repeat course does not replace the 'F' grade in the student's record.

**3.17 Clear Standing**

A student is said to be on clear academic standing, if he/she has at least an E grade or a D grade ( for students admitted into the University from the 2013/2014 academic session) in all courses attempted in the University.

**3.18 Academic Probation**

A student shall be placed on Academic Probation if he/she fails to maintain a minimum CGPA of 1.00 at the end of the session in his/her

100 level of study or at the end of the 1<sup>st</sup> semester in subsequent levels. The probationary status of a student shall be reversed if the student maintains a CGPA of at least 1.00 or 1.50 (for students admitted into the University from the 2013/2014 academic session) in any subsequent semester after the first year. The responsibility to reverse the probationary status rests with the student.

A preliminary notice of poor academic standing shall be given to a student on academic probation in writing by the University.

However, this rule shall not apply to 100 level students.

A student in his/her final year of study who also fails to make a minimum CGPA of 1.00 or 1.50 (for students admitted into the University from the 2013/2014 academic session) may be allowed to continue studentship and register for courses in the following year on concessional grounds only. Such student who fails to make a minimum CGPA of 1.00 or 1.50 (for students admitted into the University from the 2013/2014 academic session) in the concessional year shall be asked to withdraw from the University.

A student who fails to obtain a passing grade in a minimum of 40% of courses registered in the session shall also qualify for withdrawal from the University for Academic Failure. This rule applies to students at all levels including 100 level students.

However, a student in his/her final year of study who fails to obtain a passing grade in a minimum of 40% of courses registered in a session shall be allowed to continue studentship and register for courses in the following session on concessional grounds only. A student who fails to

obtain a passing grade in a minimum of 40% of courses registered in the concessional year shall be asked to withdraw from the University for Academic Failure.

Duly completed application forms along with the applicants' transcripts shall be submitted to the Registrar at least two (2) months before the commencement of the Session. There shall also be an attestation that the applicant was not dismissed for misconduct from other Universities. Inter-University Admissions shall be considered by the Committee of Provosts and Deans (CPD) based on the recommendations of the

appropriate Faculty Boards and students from other institutions would not be placed beyond the 200 level in the Niger Delta University.

**3.22 Transfer of Credit Units from other Institutions**

Students transferring from other recognized universities may be credited with units for courses successfully completed and which satisfy the course requirements of the programme for which the student is registered at the Niger Delta University. The units and grade awarded shall be applied appropriately in the relevant desired degree programme. A transfer student shall not normally be credited with more than 65 units for courses taken in other universities.

**3.23 Publication of Results**

The Faculty Boards shall publish the results of all examinations after approval by Senate. However, Faculty Boards may publish the provisional results of students after Faculty Boards' consideration. Senate approved student results may be made available to parents/guardians at the end of every academic session.

**3.24 Duration of Programmes**

A student in a four-year degree programme shall normally be expected to complete the programme in eight (8) semesters, but may be allowed to continue for a total of twelve (12) semesters and still qualify for a classified degree provided he/she maintains a CGPA of 1.00 or 1.50 (for students admitted into the University from the 2013/2014 academic session) and above. **However, a student who is unable to complete the programme in twelve (12) semesters may be allowed to continue for an additional two (2) semesters but shall be eligible for a pass degree only** irrespective of the student's CGPA. **Note:** All students admitted into the University from the 2013/2014 session to pursue four year degree programmes are required to complete their programmes in a maximum of twelve (12) semesters.
